

Remarks

This amendment replaces the preliminary amendment filed May 17, 2004. Because the previous preliminary amendment was based on a set of claims not in the present application, it is believed that substitution of this preliminary amendment for the previous preliminary amendment is proper.

Prior to examination, please amend claims 3, 4, 6, 8, 10, 13, 14, 16 and 18, and add new claims 20-22 as indicated in the above amendments to the claims. Claims 3, 4, 6, 13, 14 and 16 have been amended to cancel reference to subject matter which is covered in a related copending application. Claims 8, 10 and 18 are amended to correct editorial errors. No new matter has been included in the amendments.

Support for newly added claims 20-22 can be found at page 1, line 6 and at page 3, line 19.

Respectfully submitted,

J. Daniel Lykins
